

ACTS

What happened next?

Every day they continued to meet together in the temple courts. They broke bread in their homes and ate together with glad and sincere hearts, praising God and enjoying the favour of all the people. And the Lord added to their number daily those who were being saved.

- Acts 2:46-47 -

Acts: What happened next?

When you strike a match, sparks start to fly and a small flame starts to burn. That small flame is used to light a fire and becomes part of something much bigger than it ever could be on its own.

Over 2000 years ago a match was struck and a flame was lit that would spread over the world, continuing to burn to this day. After the resurrection of Jesus Christ, a small group of disciples, who had once abandoned him, would now be empowered by the Holy Spirit. They would now be courageous to preach, teach, heal, and demonstrate God's love in synagogues, schools, homes, marketplaces and court rooms, on the streets, hills, ships and desert roads. They would now go wherever God sent them, lives and history would be changed, and the gospel of Jesus Christ would spread through out the world.

We are part of this story, this same flame, as we continue this work that started 2000 years ago. As we start our next sermon series '*Acts: What Happened Next?*', we will be looking at the first few chapters of the Book of Acts and how the proclamation of the gospel of Jesus began.

My hope is that, as we read these chapters, we put ourselves in the shoes (I should really say sandals) of these disciples and identify with them as they are filled with the Holy Spirit and see thousands respond to the gospel message. As well as their commitment and boldness to give everything to Christ, even in suffering and facing death, let's engage with how they took every opportunity to tell of their crucified and risen Lord. By the end of this series, let's commit to being a twenty-first-century version of those men and women of God.
